Origami was started in 1995 and has today grown to become the leading producer of paper disposables in India with a presence in the consumer (retail) market, Institutional supplies, exports, promotional, party products and private label segments.

We are now an integrated player, with our own tissue paper production facility and conversion facilities across the country.

We provide both reach and a product range including Paper Napkins, Toilet Tissue Rolls, Facial Tissues, Kitchen Towel, Hand Towels, Pocket Tissues, Wet Wipes, paper Plates, Paper Cups and Table Covers.

Concern for Environment

Our products are manufactured with superior tissue paper and paper boards from recycled waste paper or with 100% wood and bamboo from earmarked regenerative forest raw material sources and in compliance with all applicable Environmental Laws.
